

Yaroslav Mironov

PYTHON DEVELOPER

Saint-Petersburg, Russia

☎ (+7) 931-370-7005 | ✉ yaroslavmironoff@yandex.ru | 📁 yaroslavmironoff

Summary

After graduating from university, I helped to open a store from scratch. Next, I was engaged in system administration. Six months ago, I decided to choose Python development as a professional field of activity. During this time, I learned the basics of the language, the principles of OOP and the basics of working with databases. The practical application of my skills can be found on Gitlab: <https://gitlab.com/yaroslavmironoff>.

Work Experience

No Name

Saint-Petersburg, Russia

SYSTEM ADMINISTRATOR

Nov. 2020 - Oct. 2022

- Solved problems with the old server (2008 hardware).
