PLEASE READ: IMPORTANT INFORMATION

- The score information displayed on this report is preliminary and does not constitute an official score report. Cisco seeks to assure the validity of exam scores by analyzing exam responses for consistency. Your score may be classified as indeterminate if it is at or above the passing level and Cisco cannot certify that it represents a valid measure of your ability as sampled by the exam. After review and analysis, your score will either be:
  a) Classified as "valid" and your official exam result will be reported at http://www.pearsonvue.com/authenticate. You can view exam results by using the registration and validation numbers displayed in the left column within 72 hours of your exam session.
  b) Classified as indeterminate and you will be advised of the options for retaking the examination.
- If this exam completes a certification requirement, please allow 10 days for Cisco to receive your exam results. Then login to the Certification Tracking System at http://www.cisco.com/go/certifications/login to view your certification status. Ensure that your name and mailing address are correct. You will receive an email with instructions explaining how to obtain your certificate if applicable.
- To receive or stop receiving communications, log in to the Certification Tracking System and select your preference in the Opt In/Opt Out section.
